

# Prevention Month Pinwheels - Turning Choices Into Change!

*"Turning Choices into Change - Making a Difference for Children"  
is the theme for  
Child Abuse Prevention Month 2009 in Illinois*

### **PINWHEELS**

*will represent this theme as we live it out across the entire state in many  
different ways including health fairs, community projects, candlelight vigils, school projects, and others.*

*Prevent Child Abuse Illinois is pleased that we can make brightly colored 7" diameter PINWHEELS on 12" dowels  
available to you and your community in limited quantities. The PINWHEELS can be carried, given out at events,  
planted as a lawn display, lined up along a sidewalk or pathway, or used in any number of ways to raise awareness of  
how important the choices we make are to the well being of our children.*
