

Pinwheels for Prevention

PINWHEELS are a national symbol for child abuse and neglect prevention and can be promoted in many different ways including health fairs, community events, candlelight vigils, school projects, pinwheel gardens and more.

Prevent Child Abuse Illinois is pleased that we can make brightly colored 7" diameter PINWHEELS on 12" stems available to you and your community in limited quantities. The PINWHEELS can be carried, given out at events, planted as a lawn display, lined up along a sidewalk or pathway, or used in any number of ways to raise awareness of child abuse prevention and the promise that every child deserves to be raised in a safe and nurturing home.
