

# Healthy Families Illinois State Network

---

**Executive Committee:** Funding Administrators, Program Managers and Collaborative Partners to help provide leadership and support to programs and ensure best practice.

**Program Training and Evaluation Committee:** Program Managers, Funding Administrators, Training Partners and Collaborative Partners to offer support around programmatic issues.

**Work Group:** HFI Program Managers, Funding Administrators, Training Partners and Statewide Stakeholders offering all program managers the opportunity to discuss research based practice, funding opportunities, and Federal and State initiatives.

**Public Awareness and Community Development:** Program Managers and Collaborative Partners who are interested in ensuring that their communities have access to public awareness materials and information related to Healthy Families Illinois.

**Policy and Advocacy:** Early Childhood State Leaders, Program Managers and Collaborative Partners working to ensure that legislators understand the value and impact of home visiting programs on families in the state of Illinois.

**Cluster Groups:** Regional meetings for program supervisors and direct service staff to offer support and training opportunities.
